II. TECHNOLOGY INFORMATION AS IT RELATES TO FEES:

The college campus has wireless Internet capability in addition to standard computer labs. To use the wireless network, your computer must be equipped with an 802.11AC/b/g/n standard with WPA2 encryption. Any wireless card that supports that standard will work throughout the college campus. The technology fee covers your use of college

technology systems; it does not cover equipping personal computers with the appropriate wireless adapter. The technology fee is dependent upon the term and is included in the Tuition and Expenses Worksheet below.
